

March Camera Club

Rule 1 ~ GENERAL RULES APPLYING TO ALL INTERNAL CLUB COMPETITIONS UNLESS OTHERWISE STATED

(Revised August 2018)

All entries:

1. **1.1.** Since members' images may be shown at exhibition or on the Club website, it is essential that care should be taken to avoid direct reproduction of any art or graphics which may be protected by copyright.
1.2. Any paid up member may enter Club or external competitions. All entries must be the work of the member submitting them. Therefore the subject matter of any images submitted by a member must be the sole work of that member - image composition, recording, and editing by the member. Printing, mounting and presentation may be done by third parties.

Examples:

- a) A photograph taken in a street where there is a poster, hoarding or other copyright work, is allowed in competition where it is clear the author is not trying to pass off the copyrighted work as their own and it is clearly incidental and just a part of an overall scene.
- b) A photograph of statues, models, stained glass windows and other three dimensional objects are allowed in competition where it is clear the author is not trying to pass off the copyrighted work as their own.
- c) Photographs downloaded from the Internet or otherwise purchased, copyright free images from whatever source or any photograph taken by a third party in whole or in part are not allowed.
- d) No clip art of any kind is allowed except for borders.

In submitting an image for any of the Club's competitions the Competition Secretaries will assume that the member has read, understood and complied with this rule and the examples given. Competition Secretaries are available to give further guidance should any member have any doubt as to the eligibility of any work that member wishes to enter into competition.

2. All entries must be submitted at least one week before the competition (two weeks for the panel and annual competitions) and must have a title or identification reference.

3. Any entry can only be entered once into the same type of competition.

4. Prints:

4.1 A print once entered cannot be re-entered as a digital image into any competition.

4.2 One side of any print entry must be at least 25cm, and all prints must be mounted on card not exceeding 50cm x 40cm in size.

5. Projected digital images:

5.1 A projected image once entered, cannot be re-entered as a print into any competition.

5.2 Metadata to be included with the image by the author:

The author: Full name must be entered.

Document Title: The Image Title or Name must be entered.

Colour Space: Set to sRGB.

Pixel Size: Max 1400px Wide, Max 1050px High.

6. The external judge to be decided by the committee. Should the external judge fail to arrive or not be available for the competition, it will be judged by a panel of 3 members to be selected by the Competition Secretaries in line with the rules.

7. Where a competition is designated as **Monochrome** this to be in accordance with EAF and FIAP rules: A black and white work fitting [i e going] from very dark grey [black] to very clear grey [white] is a monochrome work with the various shades of grey. A black and white work **toned entirely in a single colour** will remain a monochrome work able to stand in the black and white category; such a work can be reproduced in black and white.

8. The judge's decision is final.

9. The Committee sets the rules for all competitions.

Rule 2 ~ RULES APPLYING TO SPECIFIC COMPETITIONS

MONTHLY PRINT AND PROJECTED IMAGE COMPETITIONS

1. Seven monthly print and seven monthly projected image competitions will be held during the Club season.

2. The competitions will be judged in accordance with the general rules.

3. Any member may enter a maximum of 2 Projected Images and 2 Prints per month

4. In the event of the Judge not being available the competition will be judged by a panel of 3 Club members, selected by the internal competition secretaries, using the following rules:

4.1 Each judge will award up to 20 points for each entry, the 3 judges scores will be averaged for each entry to obtain a final score. A judge will not mark his or her own entry. The two other judge's score will be averaged to obtain a final score for the judge's entry.

4.2 The best print and projected image of the entries must be given 20 marks and the lower marks to be decided by each individual judge

4.3 The entry with the highest average score wins.

2.5 All entries will be judged by PAGB rules as follows: "Nature photography is restricted to the use of the photographic process to depict all branches of natural history, except anthropology and archaeology, in such a fashion that a well informed person will be able to identify the subject material and certify its honest presentation.

The storytelling value of a photograph must be weighed more than the pictorial quality while maintaining a high technical quality.

Scientific bands, scientific tags or radio collars on wild animals are permissible.

Photographs of human created hybrid plants, cultivated plants, feral animals, domestic animals, mounted specimens are ineligible, as is any form of manipulation that alters the truth of the photographic statement.

Processing of the captured image, by cropping, exposure adjustment, correction, noise minimization, dodging/ burning, HDR, focus stacking and sharpening, is allowed.

Cloning of image defects and minor distractions, including overlapping elements, are permitted when these do not distort the truth of the photographic statements.

Images entered as Nature can have landscape, geologic formations, weather phenomena, and extant organisms as the primary subject matter. This includes images taken with the subjects in controlled conditions, such as zoos, game farms, botanical gardens, aquariums and any enclosure where the subjects are totally dependent on man for food".

2.6 Artistic Nature, meaning photographs which started as Nature but which have been creatively modified to show a purely pictorial image, do not meet the Nature definition. They may be entered in "Open" events.
